The most beautiful sides to the island

## BETWEEN TRADITION, NATURE AND URBAN LIFESTYLE – IN 2 LANGUAGES!

A walk through the old walls of Santanyi, enjoying the Mediterranean Sea on a catamaran, culinary finesse in the Tramuntana Mountains or cosmopolitan flair in Palma - Mallorca is the island with many faces - which we love and which we would like to share in THE MALLORQUÍN. With strong pictures and personal content in German and English we take our readers to the island and present it in its most beautiful and original, but also trendiest and most honest way.

### HIGHEST STANDARDS OF AESTHETICS

Mediterranean style, sparkling bays and unique views: We take up the beauty of Mallorca in the magazine and adapt it into an own language. Modern, urban, high-quality design makes every issue of THE MALLORQUÍN a collector's piece.

### LONG-TERM PRESENCE

Each issue is not only displayed in four and five-star hotels, marinas and hotspots on the island, but also at our partners in

the DACH area. In this way you can reach your target group in an international environment.
